

Preschool

Koorana Child & Family Services provides learning opportunities for all children and their families across the Inner West and South West areas of Sydney.

What is Preschool?

Koorana's two preschools, in Lakemba and Roselands, provide active learning environments for children of all abilities and needs.

Who is it for?

Koorana's Preschools are for children aged 3 to 6 whose families live or work in the Canterbury Local Government Area.

What happens and how will it help us?

Koorana's preschool program will assist your child to develop skills that prepare them for school. In our play-based learning environment your child will build their independence, confidence, concentration, communication skills, social skills and friendships.

Qualified and experienced early childhood educators work closely with your family to develop individual and group programs that support your child's interests, strengths and relationships.

Your child will have a focus educator who is the main person responsible for your child's learning program. Your child's focus educator will talk to you regularly and ask lots of questions about your child's interests to help them plan the learning program. They will also make sure you know about your child's day at preschool so you are always kept informed.

Koorana's staff are committed to the principles of inclusion, and include children of all abilities. Specialist teachers and therapists provide support within the preschool to ensure that the specific intervention needs of children with a disability are met.

All children, All abilities, All possibilities

Where does it happen?

At Koorana's preschools in Lakemba and Roselands.

How long does it go for?

Preschool runs in school terms from 9:30 am to 3:30 pm. Your child would attend for one, two or three days a week until they transition to school.

What if I do not speak English?

Your worker can arrange for an interpreter if you need.

What does it cost?

Daily preschool fees apply. The fees vary depending on the age of your child and whether your family holds a health care card.

How do I access the service?
