

Travel-Training Workshop

One-to-one instruction designed to teach sighted people who have a disability the way to travel **safely** and **confidently!**

A two-hour travel-training workshop for parents that includes theory (e.g. safe training techniques, training approaches, and safety tips), as well as an outdoor practical component.

The major learning outcomes include:

- Knowledge of safe travel-training techniques for people with autism & intellectual disabilities
 - Awareness of a range of stranger-danger strategies
 - Awareness of safe road crossing practices
 - Basic tips for bus and train travel
- Tailored to the workshop participants needs.

Registration for participants closes on 28 September 2018

Date: Tuesday 9 October
